<b>Means of presentation</b>	At the Authority Offices	
<b>Address of authority</b>	Mine Department, Ministry of Energy and Mines	
<b>Time it takes to the authorities to process the formality</b>	120	The Ministry of Energy and Mines shall approve the economic-technical feasibility study no later than 120 days from the date of receiving the accurate and complete study. In the case of approving the report, the Ministry of Energy and Mines shall submit it to the government for consideration through the Ministry of Planning and Investment.

**RENEWAL INFORMATION**

<b>Does the formality have a validity or an expiration date?</b>	<b>How long will the formality be valid for? (in months)</b>
YES	0
<b>What is the process and conditions to get the formality?</b>	

<b>What is the process and conditions to renew the formality?</b>	- The validity of the certificate depends on the economic-technical feasibility study- The feasibility study's validity does not exceed 2 years, and it can be renewed once but not more than 1 year. (Article 59 of the Law on Mines).- In case the investor has carried out mining and processing activities until the end of the contract, but there are still economic minerals left; The company has the right to request to extend the project with the government, but it requires another economic-technical feasibility study. If there are still economic minerals, the Ministry of Energy and Mines will submit it to the government through the Ministry of Planning and Investment to consider the renewal of the contract and the grant.
